MeTA – Medicines Transparency Alliance

Report on MeTA Information Dissemination Assignment in Livingstone

Date: 30th October 2013.

1.0 Introduction
MeTA Zambia is a multi–stake holder initiative involving government, private sector and civil society organizations and cooperating partners whose ultimate goal is to improve health outcomes for low income and disadvantaged people in Zambia by increasing transparency in the selection, regulation, procurement, distribution, supply and use of essential medicines as well as improving equitable access to affordable essential medicines.

On 27th October, 2013 the Alliance invited and sent Mr. Ludovic Mwape a Public Relations Officer from the Zambia Medicines Regulatory Authority, a government agency and a member of MeTA responsible for the regulation and control of medicines in Zambia to represent MeTA Zambia and disseminate information on pilot phase studies conducted by MeTA to a focus group of representatives of different Civil Society organizations and through radio at Radio Musi –O –Tunya in Livingstone, southern Province.
